OH, THERE'S
SAM! WHY IS HE
WEARING
A DRESS!?

INFINITY
REACH FURTHER

Scenario 4

Patient shouting to clinician

DISCUSSION

Have you ever encountered this in your personal or professional life?

How could we have shown up better for our patients and residents?

Some thoughts:

- A. Respond with “isn’t it wonderful that we are in a place where everyone can wear the clothes they are most comfortable in?”
- B. Follow up with the staff to ask if there are better ways to support them.
