

With great joy and gratitude, we recognize a significant milestone in our company's journey - the 25th anniversary of Infinity Rehab. Reflecting on a quarter-century commitment to quality therapy, we are filled with pride and a deep sense of accomplishment.

For 25 years, we have provided healing and hope to countless individuals, positively impacting their lives and well-being. Our journey has been marked by innovation, compassion, and a relentless pursuit of excellence in healthcare therapy. Through it all, we have always been guided by our mission: to set the standard in rehabilitation for successful aging by delivering the best of science with the art of caring.

From the early days when Mike Billings and Bob Thomas had a vision for a company that would redefine post-acute therapy to the present day, where we stand as a beacon of innovation in the industry, our success has been shaped by the dedication and hard work of every member of the Infinity Rehab family – our talented team members and clients.

Together, we have faced challenges and celebrated triumphs, always guided by our unwavering commitment to improving lives through the power of therapy. We have witnessed the transformative effects of our work, affirmed by our outstanding clinical outcomes.

As we commemorate this significant anniversary, let us celebrate our past achievements and look forward with excitement and anticipation to the future. The next chapter of our journey in 2024 promises continued growth, innovation, and an even more significant positive impact on the healthcare therapy landscape.

To each member of the Infinity Rehab family – thank you for your dedication, passion, and unwavering commitment to our mission. We have created a legacy that will inspire wellness, vitality, and hope for future generations.

Here's to 25 years of making a difference in the lives of others and to many more years of transformative care!
