Reimbursement Via Expense Report for \$75 Per Employee

Expense reports are easily processed now in Paycom! Log into Paycom and navigate to the "Expenses" tab, then select "Add and Manage Expenses," then select "Add Expense." Be sure to have a copy of all receipts used for your event. Turnaround time is about one week for reimbursement on your regular paycheck.

These events are designed to bring co-workers together and as an appreciation for our employees. \$75 is allotted for each employee, but if you want to plan an event that includes families or have a special situation such as childcare needs or distance from colleagues or other teams, please reach out to your 25th Anniversary Task Force contact for assistance.
