

WHEELCHAIR ASSESSMENT SERVICES

We can help you get the perfect fit!

Trust the therapists at Infinity Rehab at Home to ensure your manual or power wheelchair meets all your seating and positioning needs.

Our wheelchair assessment services can help with:

- Skin issues/pressure sores from the chair, including your back
- Alleviate injury caused by a portion of the wheelchair
- Prevent sliding or falling out of the wheelchair
- Leaning to the side in the wheelchair
- Address comfort of chair
- Making sure you have the right chair and accessories to suit your needs
- Wheelchair mobility training

HOW DOES IT WORK?

- We conveniently come to you
- We conduct one-on-one sessions
- We work directly with your physician on your plan
- We work with Medicare and most HMO plans
- We verify insurance prior to treatment
